----------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

How to describe...

1) Programs

- No more than one seat per person.
- If you apply the carrel but all carrels are in use, you will be approved to use the open space and receive a waiting number. The waiting number can be confirmed in the approval mail.
- You can not arbitrarily change an approved program but you can apply for another track. You must cancel your previous application and submit a new application.
- Applicants of all programs must submit an application, a research resource utilization list, personal information collection and use agreement, a facilities and equipment use pledge.
- Applicants of the National R&D program must attach a research contract or a research agreement instead of a research proposal.
- An overseas researcher may submit a researcher's recommendation letter to prove research information.

2) User Information

- National Library of Korea User ID and contact

3) Research Information

- If you are a member of the National Research Project Team, you do not need to fill out this form and you must provide proof of your belonging to the team.
 - Education and School : Enter the final education and school name
 - Research Achievement
 - Title : In the case of a book, describe the title of the book and in the case of a journal article, enter both the title of the article and journal title
 - In the case of a journal paper, describe the issued year, publisher, issued authority.
 - Fill in 4 or less academic papers or books within the last 5 years.
 - In the case of a journal paper, the role of the first author, correspondent, and participating author can be described
 - In the case of book, co-author, editor, and translator can be described.
