

NLK Digitized Materials Service Agreement Process

□ Overview

- To facilitate use of digitalized full-texts with the NLK agreeing to pay the royalties for the full-texts viewed/printed by partner libraries and their users until August 2019.
- Royalty coverage by the NLK after the copyright agreement period will be decided during the re-agreement phase. Announcements will be made before August 2019 in case of change.

□ Current status of digitized materials

(As of December, 2018)

Type		No. of contents	No. of books	No. of files (pages)	Type	No. of contents	No. of books	No. of files (pages)

	Textbooks	3,843	4,485	918,485		Magazine-journals (article)	77,778	5,063	4,275,551
	General books	607,147	622,117	172,582,902		Magazine-journal (volume)	25,729	21,450	
	Books for children	69,265	77,326	9,684,906	Official publications	Monographs	14,434	19,084	4,322,492
	Japanese materials (until 1945)	82,231	91,813	35,736,286		Serials	-	-	-
	Thesis	93,713	93,995	15,244,580	Non-book materials	Music scores	157,189	157,189	570,513
	Korea-related materials in foreign language	9,307	15,064	5,150,818		Others	-	-	-
	Classical novels in Korean	903	915	88,554					
Total						6,563,497	1,231,659	268,417,777	

□ How to use

○ Free use

- Applicable to materials with copyrights expired or those permitted for free use

○ Copyrighted use through partnership agreement process

- Applicable to digital materials with copyrights
- Accessible through designated PCs within partner libraries of the NLK

* NLK will cover royalties for viewing/printing copyrighted full-texts until Aug. 2019.

○ Use full-text databases: the NLK's english website (www.nl.go.kr/english)

> Search > Digitized Materials

* Internet Explore 11 is required for viewing the NLK's full-texts.

When opening a full-text viewer, you will see a pop-up at the bottom : please click "Allow" to download an "Active X" program.

□ Partnership Agreement Process

Library Code Application

- Library name :
- Contact :
- Affiliation :
- Website :
- Zip code :
- Address :
- Phone :
- Fax :
- Webmaster (E-mail) :
- Date of Application :
- Application institution :

Application institution :

(seal)

National Library of Korea

IP INFORMATION

For Using the NLK's Digitized Materials Service

1. Library Information

- Library Name : _____
- Library Code : _____ ***No need to fill out this area***
- Webmaster (E-mail) : _____

2. IP Information

No.	Public IP Address	Private IP Address

※ Public IPs can overlap. Private IPs must begin with either 10, 172 or 192.

※ We suggest you limit the scope of designated PCs to the ones **within your library for management purposes.**

For example: 193.190.253.129-159 (Good) / 134.58.*.* (Not Good-too broad)

- Submission Date :

National Library of Korea
